ALIGNING RISKS WITH GREATER REACH. Bridge Specialty Group

Bridge Specialty Group’s Healthcare Practice Group understands the unique challenges healthcare facilities face when it comes to protecting their operations, staff and patients. This dedicated team specializes in solutions for complex and hard-to-place healthcare risks, and gives our retail customers confidence to deliver tailored, comprehensive coverage solutions that meet their healthcare clients’ needs. With our deep knowledge in navigating the risks unique to this industry—ranging from property damage and liability exposures to cyber threats and regulatory compliance, we offer support at every step—from thorough risk analysis to efficient submission handling and policy placement.
